Subject: Re: **REMINDER** STORMS IC Meeting - Agenda, Materials

Hi Dawn,

Thank you for compiling and providing all that information and for once again developing a draft agenda. On that, given that in the last IC meeting on October 30 we originally constituted this meeting to be primarily for reviewing the Phase II and III projects (October 30 notes: "4 hour block to account for Project II / III edits"), I am concerned not enough time will be available for that item based on the number of items added to this agenda and the positioning of that item "STORMS IC Members need to look at Project descriptions and propose edits, scope adjustments, etc." later in the agenda. We obviously won't have 4 hours but in the draft agenda, we might be lucky to get an hour to discuss 14 or more projects. Can we: 1) move the STORMS – PROJECTS update section to after the SPECIAL TOPICS section and 2) earmark 1.5 hours for the Phase II / III Projects Review item? Better yet, ask staff to provide the 7 existing project updates in writing (1-3 paragraphs; bullet format highly encouraged) and then that item, having been moved to later in the meeting, can be used for Q&A or brief discussion.

Geoff

Good afternoon, STORMS IC Members. Happy Friday!

A reminder that we are scheduled to meet next Wednesday, February 20th from 10 a.m. to 1 p.m.... Please bring your lunch and be prepared for a full meeting!

Good afternoon, STORMS IC Members.

We will hold our next STORMS meeting February 20th in Sacramento from 10 a.m. to 1 p.m. Please bring your own lunch – we will work through the lunch hour in order to tackle editing the Project II and III lists. For those out of town participants, we also have a call in option (see this appointment card and the agenda for connection number).

In terms of follow up items from last meeting, thank you to all for taking care of circulating the items you committed to! That said, folks still need to look at the Project descriptions and propose edits, scope adjustments, etc. for Phase II and III Projects. We will do the editing together during our meeting. See the attached document.

We look forward to chatting with you all in February. In the meantime, please let me know if you have items you would like to add to the agenda. Thank you and happy New Year!
